### FATAL KICK.

Roger Thompson Killed By an Unruly Mule.

Kicked In the Stomach Monday And Died Yesterday From His Injuries.

Bennettstown, Ky., Oct. 4.—Roger Thomson, a young man aged 22, a son of W. R. Thomson, of Hopkinsville, died this morning at the home of his brother-in-law, A. C. Joiner, from injuries sustained by being kicked by a mule last Monday. He was kicked in the stomach by the animal and injured internally. It was not thought at first that his injuries were mortal, but he failed to rally from the effects and by Wednesday it was realized that he was in a critical condition.

His father was summoned by telephone. The young man continued to grow worse and died before noon. He was a very industrious and popular young man. The burial will take place at Hopkinsville Friday. BUCK.

### FULL REGISTRATION.

Only 125 Voters Left For Supplemental Registration Days.

The registration passed off very quietly in the city Tuesday and a full vote was registered without any show of excitement. The total number registered was 1545 against 1514 in 1899 on the regular day and a total of 1538 in 1896. Last year 156 names were added on supplemental days, making the total 1670. According to these figures there are 125 voters still out and it is safe to say most of them will register Oct. 29, 30 to 31. The outstanding vote is supposing to be about equally divided. The registration was characterized by no party feeling and there were no disputes about the polls. The officers were fair and conservative men and divided equally as to politics.

The following table shows the vote by color:

	WHITE.	COL.	TOTAL.
No. 1.....	280	183	463
No. 2.....	63	317	380
No. 3.....	348	80	428
No. 4.....	200	74	274
	891	654	1545

In 1899 the white vote was 925 and the colored 589. The present figures show a white shortage of 34 and a colored gain of 65. A great many white voters were out of town on business for Forbes & Bro., and can register later. The Republicans registered almost their total strength, including several ex-convicts.

The Republican plurality in the city last year, including the precinct in which the election was held to be illegal, was 223, with 45 votes for Brown and 5 for Wallace. The majority this year will not reach 200 in the city.

### BURGLARY AT HOWELL.

Store Entered and \$5 Taken From Cash Drawer.

The general merchandise store of J. F. Dixon at Howell was entered by a thief last Friday night and \$5 was taken from the cash drawer. The thief ripped off a plank from the side of the building and entered the cellar. He then opened the trap door and got into the store room. He was evidently frightened by some one passing, as he left without taking some small change which was near the five dollar bill. The goods were not molested.

Judge M. D. Brown, who sold out some months ago and moved to Vernon, Ind., has decided to return to Hopkinsville to live. He has disposed of his Indiana property and will arrive here with his family this week. They will go to house keeping at the Ben Wood place, on North Main.

The following cases have been disposed of:

Allen Day, c. d. w., fined \$25 and 10 days.  
Ben Tittington, same, same fine.  
Sol Majors, gaming, \$20 and costs.  
Geo. Oldham, same, \$20 and costs.

### SUES FOR DIVORCE.

Judge Campbell Wants Legal Separation From His Wife.

City Judge George F. Campbell has filed suit for divorce from Mrs. Mary E. Campbell, whom he married ten years ago at Memphis, Tenn., and for custody of his two children, who have been with him since Mrs. Campbell left here, over a year ago. She is now in St. Louis and abandonment is alleged. In her answer Mrs. Campbell joins her husband in the request for a divorce and prays that her maiden name be restored to her.

Judge Campbell was expelled from the Methodist ministry on charges brought by his wife. Later she was sent to the Western Kentucky Lunatic Asylum. Judge Campbell was re-instated by conference, but after his vindication resigned from the ministry and entered the practice of law.

### NO AGREEMENT

And Slim Prospects For One at Frankfort.

Frankfort, Ky., Oct. 3.—The bright prospect for an agreement in the Senate on the House Bill with the Alexander amendments was dissipated this morning after the opening of the session, when it was found that one of the amendments had been misconstrued by every one who had examined it or to whom it had been explained. It provided for giving the umpire on the county boards to the Democrats in half the counties and to the Republicans in the other half. The prospects now are that a final effort to reach an agreement will be made in conference committees.
